KIDS' RIDE 2005

Part of the 2005 BARCLAYS GLOBAL INVESTORS GRAND PRIX
Sunday, September 4, 2005

The Peloton Project is the **Lance Armstrong Foundation's** major grassroots fundraising and outreach project. Comprised of cyclists, cancer survivors and other volunteers who want to make a difference in the fight against cancer, members raise funds and awareness for the LAF in their local communities. In honor of Lance Armstrong's record breaking 7th Tour de France victory, Peloton Project is pleased to announce the launch of the **7 for Survivors** campaign, the Peloton Project's challenge to raise \$7 million in 2005.

This event is managed and was organized by a Lance Armstrong Foundation (LAF) Peloton Project member - the MMA - to raise funds for the LAF. This is not an official LAF - hosted event, but all proceeds benefit the Lance Armstrong Foundation in their mission to provide the practical information and tools people with cancer need to Live Strong.
